Waikiki

Health

Center is dedicated to providing compassionate healing and expert care while staying accountable to our island community. Our ability to offer services depends on the generosity of individuals, families, corporations and foundations who support our mission.

By making a gift today, you will help us continue providing the essential services our community needs to stay healthy.

Donate Online or read about more ways to make a difference - every gift helps care for someone in need.

Learn how past donations have helped Waikiki Health Center's patients and clients by reviewing our Accountability page or annual report.
