

## 2009 - 2010 Board of Directors

Waikiki Health Center's all-volunteer Board of Directors is comprised of consumers, non-profit and for-profit community leaders, and others interested in delivering high-quality health services to people in need, regardless of ability to pay. Our Board members' diverse positions and backgrounds reflect those of our patients, staff and neighbors. More than half Waikiki Health Center's Board members use our health care services.
