

Our Services

Waikiki Health Center has provided quality medical and social services to the people of Oahu since 1967. We believe everyone has a right to compassionate healing and expert care.

We encourage patients to be proactive in their healthcare and take advantage of our comprehensive services:

- Primary Medical Care

- Children's Medical Care

- Family Planning

- Traditional Hawaiian Healing

- HIV Early Intervention

- Tobacco Cessation Treatment

- Healthcare for the Homeless

- Homeless Youth Services

- Senior Services
