
Ho'ola Like (Healers Together) North Shore Clinic

Established in 1998, our program integrates Western medicine and Traditional Hawaiian Healing techniques for residents of rural North Shore communities.

Services include:

- Primary and preventive care for all stages of life
- Long-term treatment for chronic illnesses
- Acute medical care
- Gynecology and family planning
- Mental health services
- Native Hawaiian Healing (Lomilomi, Ho'oponopono and La'au Lapa'au)
- Physical exams and immunizations
- Health education
- TB tests
- Screening and testing for HIV and other sexually transmitted diseases

All insurance programs are accepted except Kaiser Permanente.

Underinsured and uninsured patients are charged on a sliding fee scale based on income.
